Q Software Announces First Australasian Accredited Professionals

Andrew Bloxsom and Stuart Brown of Myriad IT Services Pty Ltd Earn Q Software Certification for Excellence in Delivering Security and Compliance Solutions for JD Edwards EnterpriseOne users

Q Software Global, an Oracle Gold Partner and provider of risk management, compliance and security solutions for Oracle ERP application users, has announced certification of two new Accredited Q Software Professionals at Myriad IT Services Pty Ltd – the first Australians to achieve this recognition.

Andrew Bloxsom has been awarded Q Software Sales Professional accreditation after participating in in-depth sales and technical training and achieving sales success by adding several major clients to the ever growing list of Q Software users in Australia. Stuart Brown has attained the Q Software Technical Professional accreditation for excellent work implementing Q Software's security and compliance solutions at clients' sites.

"As our Australasian user base continues to expand, our main objective is to ensure that customers have local access to high quality services that will enable them to make the most of their JD Edwards and Q Software investment," says Steve Davis, Business Development Director at Q Software Global Ltd. "We are delighted to announce these Accreditations at Myriad in recognition of Andrew's and Stuart's proven expertise and professionalism."

About Q Software Global Limited

Q Software Global Limited is a global Oracle Gold Partner based in the United Kingdom, focusing on security and Governance Risk and Compliance (GRC) for Oracle Enterprise Resource Planning (ERP) Applications (Oracle JD Edwards EnterpriseOne, Oracle JD Edwards World, Oracle PeopleSoft and Oracle E-Business Suite). Since 1996, they have developed and implemented security solutions for customers all over the world. Their compliance solutions are used by some of the world's leading organizations. About Myriad IT Pty Ltd

Myriad IT is a services and solutions company that was founded in 1999 with the goal of providing technical architecture skills for implementation projects of the JD Edwards OneWorld ERP product. Having completed over 120 projects for more than 40 clients in Australia, Myriad leads the way in JD Edwards' technical experience and best practices. Myriad's philosophy is to build long term, mutually beneficial relationships that will last years, not months. For more information call +61 (0) 3 8530 8600 or visit www.myriad-it.com
