Leading Vendors Of Solutions For JD Edwards Customers Form JDE Alliance

Q Software, WTS, RF-SMART, InsightSoftware.com, Image Integration Systems and Arctools Announce Consortium To Serve The JD Edwards ERP Customer Community.

Q Software Global, an Oracle Gold Partner and the leading provider of risk management, compliance and security solutions for JD Edwards customers, today announces the formation of the JDE Alliance, a consortium of independent, established and “best-of-breed” product companies that each provides software solutions specifically for organizations using the JD Edwards ERP platforms.

The Alliance will provide JD Edwards customers with a trusted source for the software solutions and automation tools often required to extend, enhance and protect their JD Edwards investment. The JDE Alliance member products provide a wide range of capabilities, including:

Q Software:	Risk Management, Compliance and Security
Arctools:	Data Purge and Archiving with Integrity
Image Integration Systems:	AP Automation and Business Process Management
InsightSoftware.com:	Financial Reporting, Operational Analytics & Data Reconciliation
RF-SMART:	Mobile Supply Chain and Construction Solutions
WTS:	Application Hosting and Managed Disaster Recovery

JDE Alliance members have been active in the JDE market place for years, are recognized for their well-developed JDE expertise and provide offerings uniquely suited to the needs of JDE customers. All are members of the Oracle Partner Network and the Quest International Users Group.

Mike Ward, CEO at QSoft said *“This is great news for the JDE community. These companies are the best providers of high quality add-on functionality for these wonderful ERP applications. Working together, we can provide a real force to further improve the user experience. We expect to push many great initiatives in Education, Integration, and Delivery which will be of huge benefit to the community.”*

In November the JDE Alliance will be holding “Lunch and Learn” educational events during which each member will present industry and product information for their area of expertise. The two-hour events are scheduled for Minneapolis/St. Paul on November 10th, Kansas City on November 16th and St. Louis on November 17th.

Further information about the JDE Alliance and the Lunch and Learn program is available at www.JDEAlliance.com.
